GOVERNMENT OF INDIA - MINISTRY OF STATES.

D.O.No.FFI-2/49. New Delhi, 29th Aug.49.

My dear

Subject:- Federal Financial Integration of States and Unions of States.

The Government of India are anxious to formulate their policy on the Reports of the Indian States Finances Enquiry Committee as early as possil in consultation with the Governments of Unions and States concerned. It has, therefore, been decided to take in hand immediately a detailed examination of the recommendations made by the Committee. To this end, it is proposed to take certain preliminary action as follows:-

(i) We shall shortly be sending you brief Notes prepared by the various Ministries of the Government of India (other than the Ministries of Defence, External Affairs and Railways) setting out the principal functions performed by the Government of Indi in each Ministry by reference to Lists I and III of the Seventh Schedule of the new Constitution of the Union of India. In these Notes, purely Secretariat functions will be distinguished from "field" activities in the Provinces; and in the case of the latter, those activities which are directly performed by officers and staff of the Central Government working in the Provinces will be shown separately from those, if any, which ar performed (on payment) by the Provincial Governments acting as Agents to the Centre. The Notes will also indicate the various matters concerning which financial and/or technical assistance is afforded by the Centre to the Provinces, together with the terms, conditions and principles according to which such assist ance is ordinarily given. These Notes will be accompanied by the Reports on the working of the various Ministries of the Government of India during 1948-49, which were submitted early this year to the Constituent Assembly (Legislative).

The Notes and materials referred to above are intended to give yo a picture of the main activities of the Government of India in the various Ministries and to enable you to form some idea of the direct and indirect financial and other advantages which would accrue to your State/Union as a result of acquiring "provincial status" in consequence of Federal Financial Integration.

(ii) Each Ministry of the Government of India has also been requested to prepare a list of points concerning which it may desire to have factual information from you in respect of the departments in your State/Union with which it may be concerned (including particulars required for preparing Budget Estimates for 1950-51 Those will be passed on to you for supplying the required infor mation direct to the Ministry concerned as early as practicable and in any case not later than October 15th, 1949. This information will enable the Ministries of the Government of India to make preparations for taking over from your State/Union on 1-4-1950 the administration of the Departments with which they may be concerned.

(iii) Meanwhile, we should be glad if you would kindly indicate -

(a) whether your Government would prefer, for any special reasons, that the Government of India should take over the administration of any particular Federal Departments in your State/Union on any date prior to 1-4-1950; and, if so, the reasons therefor; and

(b) whether, in respect of any other Federal Departments, your Government would prefer, for administrative or other reasons, to continue to run them even after 1-4-1950 and, if so, the reasons therefor.

Note: In the event of (a) above, the Centre would administer the Departments concerned as Agents of your State/Union upto 31-3-1950; and

in the event of (b) above, your State/Union would ~~kkuinix~~ administer the Departments concerned as Agents of the Centre from 1-4-1950.

(iv) It is proposed sometime towards the end of September or early in October to have discussions with individual States and Unions on the basis of the Committee's recommendations. Meanwhile, if there are any points concerning which your Government desire to have further clarification upon matters dealt with, or arising out of, the Committee's Report, please let us have them before September 15th, 1949.

(v) It would be desirable, if possible, that with effect from 1-10-1949 your Government should maintain separate "pro-forma" accounts of the "federal" transactions of your Government - for both revenue and capital receipts and outgoings. The particular transactions which should be so accounted will be evident from a study of the Notes referred to in sub-paragraph (i) above, and by reference to the subjects specified in the Union List in the Seventh Schedule of the Draft Constitution. What is needed is a broad, rough and ready separation of "federal" transactions; accordingly, where the expenditure on staff or other items is common in respect of one or more "federal" and "provincial" subjects (e.g. Excise) no meticulous separation of accounts need be attempted.

Such separate accounting of these transactions will greatly facilitate the preparation of the various "financial integration" statements, in the form adopted by the Committee, for the relevant year or years constituting the "basic period" for your State/Union (vide paragraphs 4, 6 and 7 of Part II of the Committee's final Report).

2. While the Committee's Report is under detailed examination, there are two or three directions in which immediate action is necessary on your side.

(i) In dealing with the question of the staff now employed in States/Unions on work connected with "federal" subjects, the Committee has recommended a general "freezing" order which would maintain the status quo ante as regards terms, conditions and personnel, until federal financial integration becomes effective (vide paragraph 11(1) at page 7 of Part II of the Committee's final Report). If, as I am sure, you agree that this recommendation should be immediately implemented, we should be grateful if you would kindly issue instructions on the lines suggested by the Committee with effect from 1st September, 1949.

(ii) I have already requested you in a recent telegram to avoid incurri any financial commitments in respect of "federal" subjects until federal financial integration becomes effective. You will, I as sure, appreciate the necessity for some such step and will, I hav no doubt, have already issued appropriate directions. It is most important that until final decisions are reached on the various matters of principle and detail arising out of the Committee's Report, States/Unions should not, in respect of "federal subjects, sanction any new schemes, or accept any fresh commit-

commitments in regard to schemes already sanctioned, or even proceed with the execution of any schemes (already sanctioned) upon which work may not have yet commenced or advanced to any significant extent. We should be grateful if you ~~kkn~~ would kindly issue explicit instructions accordingly. Should any doubt arise as to how any particular case should be dealt with within the framework of the suggested formula, we shall be glad to advise.

(iii) Finally, I would invite your attention to the note of warning sounded by the Committee, namely, that there is need for caution in proceeding further, at this juncture, with social policies, involving substantial diminution of revenues or additions to expenditure, - vide paragraph 35 (at page 25) of Part I of the Committee's final Report.

3. I should be glad if you would kindly send an early reply concerning the matters referred to in

sub-para 1(iii) above
" 1(v) "
" 2(i) "
" 2(ii) "

direct to Mr. Dandekar (at "Hyderabad House", New Delhi). All matters relating to federal financial integration will, for the present, be dealt with by him. Direct correspondence with him will, therefore, save time. Similarly, it would avoid delays if, in future, he were to correspond direct with the Finance Minister of your Government, unless you propose to deal with this matter yourself, personally.

Yours sincerely,

(Sd.) M.K.Vellodi)

My dear Saxena,

Confirmation of Sri. Y.Subramanyam as Chief Auditor (Now re-designated as Chief Accounts Officer).

I have your D.O.letter No.ES50DEI dated 22nd instant. As prior to 1-4-1950 the entire Audit and Accounts establishment of this Railway was not under my control but was under the Comptroller to the Government of Mysore, I am not aware of the circumstances under which Sri. Y.Subramanyam and other Audit officers of the Mysore State Railway were confirmed. I am, therefore, forwarding a copy of your letter to the Chief Secretary to the Govt. of Mysore with a request to furnish you with the necessary information.

Yours sincerely,

R.Ramachandra.

6. At the discussions with the Comptroller & Auditor General of India, the Financial Secretary to Government expressed the desire of the Government of Mysore to retain the services of Sri.Y.Subrahmanyam as the Auditor & Accounting Officer of the Food Department even after 1-4-1950 when the Railway Audit Department is taken over by the Railway Board under its control. The Auditor-General said that, so far as he is concerned, he has no objection to Sri.Y. Subrahmanyam continuing in that capacity with the concurrence of the Railway Board.

7. The matter rests there and it is not clear who has to take the initiative in this matter. No representative of the Railway Board has visited the State till now to discuss matters relating to the taking over of the Railway Audit Office.

8. At present the Gazetted Posts of the Railway & Civil Audit Departments are in a combined cadre. Sri. Y.Subrahmanyam's substantive post as Chief Auditor will probably have to be surrendered to the Railway Board along with that office on 1-4-1950. The matter is therefore complicated and has to be taken up with the Railway Board by Government.
